Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

LIFE, LOVE, AND SURVIVING HIGH SCHOOL

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 292 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. The offer changed everything. Beccas in high school, but she hasnt been on the same page as her best friends since just before the start of middle school and she doesnt know exactly how things got so different. Not different in some edgy, gritty, shes-a-rebel way. More of a Yes-shes-a-dork way. Which makes it all the more amazing that while other friendships have crashed and burned all around them the four of girls have managed to stay Best Friends Forever. She doesnt need to share in her friends spotlight. Beccas happy to follow along in the shadows, as long as shes not totally cast aside. Shes definitely not ready for guys. In fact, she just wants to skip right over high school and jump straight to twenty-two. By then she figures she will have gotten through her first date, first kiss, passed her drivers test, taken the SATs, filled out all those college applications, somehow survived living in a dorm and gotten her college degree without all the anxiety and drama. Instead, just after silently deciding to not even think about guys and concentrate on school work for the next four years, she is instantly mesmerized by Brent, a seriously great-looking senior who also happens to have a long-time girlfriend, Claire. Not one to be the other woman, Becca imagines creative ways for Claire to be out of Brents life. Meanwhile, Becca forms a strictly friends-only relationship with Colt. Becca and Colt turn out be good partners when it comes to studying, taking pictures for the school newspaper and working on a term paper together. But when one day Claire makes an offer about Brent that Becca cant...
