(Letha Okuneva)

THE WITCH OF GOINGSNAKE AND OTHER STORIES (PAPERBACK)

University of Oklahoma Press, United States, 1991. Paperback. Book Condition: New. New edition. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Based on Cherokee history, oral storytelling, and personal experience, these stories, taken as a whole, reflect the depth of Cherokee historical experience and the range of contemporary Cherokee life. Several stories, including the one from which the collection takes its name, deal with the spiritual world. In the title story a man and his family are devastated by the evil powers of a tsigli, a witch. In other stories medicine is used to more constructive ends. Some of the stories feature human-animal transformations, the ability to become invisible, and the power to manipulate events. In the context of the Cherokee world such stories are not fantasies. They are stories about reality-the reality known to Cherokees. The collection also includes tales of Cherokee outlaws, one of the most intriguing aspects of Cherokee history to Cherokees and non-Cherokees alike. Set in the days of Indian Territory, before Oklahoma statehood, these stories provide a taste of the wild West, seasoned with Cherokee cultural experience. Still other stories describe modern-day Cherokees confronting the past and the present and continually struggling to find a place in the white people s world while maintaining a Cherokee belief system and way of life. Some Cherokees confront ignorant whites, others confront ignorant Cherokees, and still others simply make their own way, dealing with each other, with outsiders, with their environment, and with their spirituality in uniquely personal, albeit Cherokee, ways. Clearly, these stories differ from stories that grow out of a European tradition, for behind them lie completely different cultural referents; different notions about interpreting events, time, and language; and a different view of the purpose and art of storytelling. Their...
