Abingdon. Softcover/Paperback. Book Condition: New. Abingdon Pillars of Theology is a series for the college and seminary classroom designed to help students grasp the basic and necessary facts, influence, and significance of major theologians. Written by major scholars, these books outline the context, methodology, organizing principles, method, primary contributions, and major writings of people who have shaped theology as we know it today. Friedrich Schleiermacher (1768â"1834) is the father of modern theology. In an implicit dialogue with the reader, Terrence Tice demonstrates that Schleiermacher is also very much our contemporary struggling with the same questions we do today: What has God done for us all in Christ? and How should I respond?.
