Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Margaret K. McElderry Books. Paperback / softback. Book Condition: new. BRAND NEW, The Door of No Return, Sarah Mussi, Zac Baxter's grandfather has always told him that he's the descendant of African kings, whose treasure was stolen when his ancestors were sold into slavery. Of course, Zac brushes this off as a tall tale -- until his grandfather is murdered and their apartment is completely ransacked. Clearly somebody is after something. Heeding his grandfather's dying words, Zac is off to Ghana to track down his family's history. But what did his grandfather mean when he said that Zac had the map to the treasure? Following every clue he can find, Zac begins to suspect that the treasure is real, and hidden in one of Ghana's old slave forts. Too bad the killers always seem to be one step ahead of him. With no one he can trust and with everything to lose, Zac races against time as he tries to uncover the truth about the past -- and a fortune in gold.
