Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.WHISKEY Jackson, Mississippi, attorney John Clements is charged with representing Roosevelt Daulks, the nephew of a prominent African-American city councilmember, who is accused of brutally murdering an elderly woman. Despite suspicions of his client's guilt, Clements sees a successful defense as a means of garnering more business in the black community and higher political connections all around. When a pretrial victory springs Daulks, and Clements learns that his client plans a killing spree to eliminate all witnesses to his crime, Clements must decide whether to turn in his well-connected client, thereby risking his own life, or to keep silent, reap substantial monetary rewards, and live to enjoy them. CHASER John Clements awakens in a Leland, Mississippi, cemetery after a New Year's Eve drinking binge, only to find himself locked at the heart of an unthinkable apocalyptic nightmare. A self-proclaimed social revolutionary has spread plague throughout the Mississippi Delta in a mad scheme to establish a new social order! Now Clements, Dr. Allison Levine, Rev. Clay Richmond, and F.B.I. Agent Bill Rhodes must stop a national Armageddon, if only they can survive the new terror that now stalks them.
