It all begins with the erection of a spiritual alter, or shrine in your home. Dedicating one hour a week to solemn devoted prayer, this will soon become ritual, the ritual turns into a connection; and enlightenment is achieved. Once, enlightenment is achieved comes the next step, which is communication by way of divination. Through divination the communication, revelations, or messages become clarified, so verification and proof of your spirituality working is achieved. These selected prayers will nourish people s psyches, provide protection, and take people s spirituality to a higher level.
