Brand New Book ***** Print on Demand *****.To be nurtured in an atmosphere of a Christian family is a blessing greater than anything money can buy. The bible teaches us to live together in harmony and love and to impact positive virtues in the lives of our children. Many parents are winning in this mandate, while many others are losing and have in fact lost grip of situations in their families. God is the layer of the family bricks and he is with us always, directing and instructing us in the issues of parenting. This book contains revelations that will guide you in raising a complete child. You will not fail.
