

Yahweh Flunked Science

By -

Paperback. Book Condition: New. Paperback. 144 pages. Anti-Darwinists have a tendency to take a hyper-critical look at the theory of evolution. They find anomalies in nature they claim can't be explained, and they let no gap in the evidence go overlooked, while congratulating themselves on their superior logic. They use plausible examples (that have either been refuted long ago, or turn out to be just plain mistaken), and the non-scientific layperson thinks it all sounds impressive. But instead of holding this debate on obscure scientific turf, which allows for lots of confusion (just what the hell is a flagellum, anyway), what if we took a look at their alternative theory instead? Funny, but when asked about some of the anomalies, errors, inconsistencies, and illogicalities of their own theory, Anti-Darwinists' critical thinking skills are suddenly turned off. But we have lots of evidence proving just how ludicrous this theory is. Unfortunately, it's all cleverly buried in the Bible, where no one ever looks. *Yahweh Flunked Science*, a unique, humorous, 21st century assessment, gets right to the point and reveals what the all-too-human ancient authors of Scripture really said about the world and how it works. For starters (In the Beginning),...
