Devonshire family, and a small pension from Charles II., exceeded the wants of his philosophic life. If he chose to compute his income, Hobbes says facetiously of himself, in French sols or Spanish maravedis, he could persuade himself that Croesus or Crassus were by no means richer than himself; and when he alludes to his property, he considers wisdom to be his real wealth i-- An quam dives, id est, quam sapiens fuerim? He gave up his patrimonial estate to his brother, not wanting it himself; but he tells the tale himself, and adds, that though small in extent, it was rich in its crops. Anthony Wood, with unusual delight, opens the character of Hobbes: Though he hath an ill name from some, and good from others, yet he was a person endowed with an excellent philosophical soul, was a contemner of riches, money,...
