

Create Music with Notion: Notation Software for the Busy Musician

By George J. Hess

Hal Leonard Corporation. Paperback. Book Condition: new. BRAND NEW, Create Music with Notion: Notation Software for the Busy Musician, George J. Hess, Notion is a unique program that combines notation, sequencing, and live performance into one easy-to-use package. This book shows all types of users - amateurs, teachers, and professionals - how to best use the program and how it fits their creative needs for efficient and effective music production and performance at any level. Learn the fundamentals of Notion's interface, develop an intelligent and well-thought-out workflow, and discover how to integrate your desktop computer and iPad so that your productivity can continue whether you're at your desk, in the studio, or on the road. Noted music technology professor George J. Hess has been extremely close to the PreSonus development team as they have elevated this valuable application to an entirely new level. The insights he brings are invaluable, offering an incredible all-access pass to music notation for the busy and creative musician. Create Music with Notion includes practical projects and supporting session files for all experience levels, along with focused video tutorials that demonstrate many of the creative techniques presented in the text, while revealing how to get the...
