Brand New Book ***** Print on Demand *****.Excerpt from An Episode in the History of Religious Liberty in the Nineteenth Century One would have to distinguish the individuals whose words have had the greatest effect in stirring up public attention, and in forwarding the cause of religious liberty. Instances of failure would have to be noticed, and the causes of failure clearly indicated; above all, every case of religious persecution would have to be enumerated and classified, and from the facts thus presented to the mind, the hidden laws which have been all this time regulating the ebb and flow of the tide of religious liberty would have to be brought clearly into view. This slight sketch of what such an essay ought to be does not cover nearly all the ground which it ought to cover, but this is enough, I trust, to show you that I do not come before you under false pretences; that I do not in the least degree under estimate the immense proportions of such a work; and that it would have been impossible for me, with my recent manifold engagements and domestic anxieties, to have attempted to arrange and then to condense the various subjects which essentially belong to a review of this most important part of the history of our own times. In default of this, I must ask you to accept from me to-night a brief account of my own experience as an advocate of religious liberty, and as one who has had to pay much - and may have to pay much more - as the penalty for his attack against authority in matters of religion. There is so much in the mere dry...
