It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Marika Vecera, a seasoned war reporter at thirty-two, is on assignment in the Congo when she is captured by rebel soldiers and nearly killed. Making it home to Boston, she finds herself drawn into a relationship with Seb, a psychologist who offers her glimpses of a kinder world. But when she learns about the suicide of her hero, Robert Lewis, the famous Pulitzer-winning journalist, she doesn't know if she'll ever recover from the loss. She begins writing his biography, only to receive a shocking letter from a missionary who claims to have seen Lewis alive in a remote jungle in Papua New Guinea. She can only wonder, What if Lewis isn't really dead? Marika is determined to find out if the letter is true. Leaving Seb, she embarks on a grueling journey through one of the most dangerous places on earth. She is guided by Tobo, a witch doctor who shows her a magical world of tribal custom and taboo, where people live in fear of spirits coming for them in the night. A powerful and riveting tale, *The White Mary* carries the listeners not only into the heart of a strange new world but into the depths of the human spirit.
