EVEDROP: THE TALES OF ADAM KOK (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Adam Kok is a fictional character. A Griqua, descended from an all too intimate follower of the legendary Griqua chief, Adam Kok. His ancient forebear handed down the line his own taste for other men s wives, including the chief s, and the chief s modern namesake followed dedicatedly in his forebear s footsteps. Having participated in the armed struggle against the apartheid regime, Adam Kok came to live in Zimbabwe, where he married the beautiful and upright, Rudo. Although he died a few years back, Adam used his job as a popular human interest journalist for a Harare newspaper to good effect. Adam was a great lover of women, a latter day Don Juan or Giacomo Casanova, an Africanist, a staunch Griqua patriot, an Epicurean when it came to Scots whisky and a frequenter of drinking holes, a man whose iconoclastic effusions were a cocktail of the truth people do not like to hear, and pure evil. A photographic negative, whose whiteness forced one to think of black and whose blackness made one think of white - an immoral scoundrel. Though almost all the stories relate the unabashed Utilitarianism of Adam s philosophy of life, many of them tackle issues of current importance in Zimbabwe, in Africa and the World. The narrator sets up a dialogue between his friend, Adam, and the reader in order to explore these issues. The result is a dialectic between Adam s own scandalous thoughts and deeds, the idea s of his wife, Rudo, who is a devout Catholic, the reader and the narrator himself, who is a socialist. In the process a fascinating cross-section of Zimbabwean as well as global social...
