CHRISTS VENTRILOQUISTS: THE EVENT THAT CREATED CHRISTIANITY

[DOWNLOAD](#)

Hyacinth Editions. Paperback. Book Condition: New. Paperback. 378 pages. Dimensions: 9.0in. x 6.1in. x 1.1in. **CHRISTS VENTRILOQUISTS** is a work of investigative history. It documents and describes Christianitys creation-event, in the year 49 or 50, in Antioch (present-day Antakya, Turkey), 20 years after Jesus had been crucified in Jerusalem for sedition against Roman rule. On this occasion, Paul broke away from the Jewish sect that Jesus had begun, and he took with him the majority of this sects members; he convinced these people that Jesus had been a god, and that the way to win eternal salvation in heaven is to worship him as such. Paul here explicitly introduced, for the first time anywhere, the duality of the previously unitary Jewish God, a duality consisting of the Father and the Son; and he implicitly introduced also the third element of the Trinity, the Holy Ghost. This work also explains and documents the tortuous 14-year-long conflict Paul had had with this sects leader, Jesus brother James, a conflict which caused Paul, in about the year 50, to perpetrate his coup d'état against James, and to start his own new religion: Christianity. Then, this historical probe documents that the four canonical Gospel accounts of the words and actions of Jesus were written decades after Jesus, by followers of Paul, not by followers of Jesus; and that these writings placed into the mouth of Jesus the agenda of Paul. Paul thus effectively became, via his followers, Christs ventriloquist. A work such as this can be documented and produced only now, after the development (during the past 70 years) of modern legalforensic methodology. Previously, the only available methods, which scholars have used, simply assumed the honesty-of-intent of all classical documents, especially of canonical religious ones, such as Pauls epistles, and the Four Gospels. Only now...
