By Melanie Hudson

Choc Lit. Paperback. Book Condition: new. BRAND NEW, The Wedding Cake Tree, Melanie Hudson, Can a mother's secret past provide the answers for a daughter's future? Celebrity photographer Grace Buchanan has always known that, one day, she'd swap her manic day job for the peace and quiet of her beloved childhood cottage, St Christopher's - she just didn't expect it to be so soon. At the reading of her mother's will, she's shocked to learn that she hardly knew Rosamund at all, and that inheriting St Christopher's hangs on one big - and very inconvenient - condition: Grace must drop everything for two weeks and travel the country with a mysterious stranger - war-weary Royal Marine, Alasdair Finn. Caught in a brief but perfect moment in time, Grace and Alasdair walk in Rosamund's footsteps and read her letters at each breathtaking new place. As Grace slowly uncovers the truth about her mother's incredible life story, Alasdair and Grace can't help but question their own futures. Will Rosamund's madcap scheme go to plan or will events take an unexpected turn? An emotional, fun-filled and adventurous journey of a lifetime.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
