Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

BETTER: A SURGEON'S NOTES ON PERFORMANCE

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Better: A Surgeon's Notes on Performance, Atul Gawande, The struggle to perform well is universal, but nowhere is this drive to do better more important than in medicine. In his new book, Atul Gawande explores how doctors strive to close the gap between best intentions and best performance in the face of obstacles that sometimes seem insurmountable. His vivid stories take us to battlefield surgical tents in Iraq, to a polio outbreak in India and to malpractice courtrooms around the country. He discusses the ethical dilemmas of doctors' participation in lethal injections, examines the influence of money on modern medicine and recounts the astoundingly contentious history of hand-washing. Finally, he gives a brutally honest insight into life as a practising surgeon. Unflinching but compassionate, Gawande's investigation into medical professionals and their progression from good to great provides a detailed blueprint for success that can be used by everyone.
