One way to cope is to withdraw from the world to a faraway island unhooked to any satellite. Another way is to grapple with the media as so to understand the nuts and bolts of the persuasive messages that relentlessly hammers us at home, even at school, on the job and at our getaway vacation. On TV and the Internet ads never tire of repetition. But to viewers of these messages, they appear as so many headache-hammers inflicting true pain. Therefore, on the premise that the best defense is an offense, every citizen and consumer must go on the offense. How By creating mentally a number of hypothetical ads using all the tricks of the craft of the trade. Practice makes perfect!
