AN ABSTRACT WORLD VOL. 2: EMOTIONS (PAPERBACK)

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.An Abstract World Vol. II is the second book that I have released to date. After writing for over 15 years I decided over the past 2 years to put my poetry/writings in a position to be read and hopefully appreciated by others. I picked the title Abstract World because poetry to me is about allowing your imagination to grow through words. My style of poetry/short stories is not written in the traditional form that many readers are use to so please take into consideration that this is my personal writing style. There are a lot of different subjects that will be covered in this diverse project that I have worked so hard to accommodate personalities of all kinds. I hope you enjoy the Abstract World Series and other future projects. God Bless An Abstract World Vol. II is the second book that I have released to date.
